EXAMINER REMARKS

Teacher's Choice

Aaron - The Breakers You travel through the waves with such ease. The rhythmic pattern are all extremely even, which is difficult to attain! As there are so many waves throughout the keyboard in this piece, explore a greater variety of nuances to enhance your overall performance. Elegant playing.

Congratulations to you and your teacher on such a fantastic exam, Harper! Thank you for all your hard work. Best of luck in your future piano studies!

Selection 1

Playful Puppy - Niamath, Linda

Your puppy is full of energy! I like your bouncy staccatos and sharp accents. The rhythm is also excellent. When the tail wags at the end, exaggerate the change of mood, and listen carefully so the hands stay exactly together. Wonderful playing.

Selection 2**Spanish Caballero - Piano Adventures: Lesson 2B**

You open with dramatic flair, and crossing triads are quite poised. When you have eighth notes in the main theme, be sure they are very steady as the caballero dances around. As the main theme repeats, consider a contrasting mood for the second time. I enjoyed your vibrant charisma and character!

Technical Requirements

Pentascals are well-prepared with good contrasting articulation. Scales and contrary motion are fluid and nicely shaped. Maintain an even facility in triads. Great job on your technical skills!
