EXAMINER REMARKS

List A

Entrée in A Minor - Anonymous

Fine dynamic variety is heard as marked in the score. The phrase shaping follows the melodic contours, with sensitive phrase endings. The left hand exhibits lovely shaping as well. With two impulses per bar your rhythm moves forward efficiently. Perhaps the final phrase might be rounded off more.

List B

Prelude V - Arens, Barbara

Your contemplative tempo creates a tranquil mood. Listen for lighter phrase endings. Dynamic variety is as shown in the score. The ritard at m. 17 is paced naturally. Strong syncopations enhance the rhythmic interest.

List C

Courageous Cat - Richert, Teresa

The interplay of melodic material is clear between the hands. Tempo and dynamics are as shown. A fine smooth legato touch is heard. Convincingly presented.

Etudes

Crazy Comics - Donkin, Christine

Your vibrant tempo moves forward with ease. Fine dynamic contrasts add excitement, especially the exciting crescendo on line three. Crisp staccato and a smooth legato touches enhance the expression. You effectively portray the pizzazz of the composer’s marking. Well done!

Technical Tests

The scales and chords are securely presented with a full and even tone. The scales in particular have lovely melodic shaping.
