EXAMINER REMARKS

List A

Bourrée in D Minor - Graupner, Christoph

Sprightly and secure presentation with fine detached articulation. Vertical tone tightly aligned with finely tapered phrases through a wide range of contrasting tonal levels.

List B

Amber Moon - Olson, Kevin

You captured the tranquil nighttime scene most convincingly here. Beautifully contoured melody with mature tempo and tonal nuances. Refined pedaling too!

List C

The Snake - Christopher, Renée

Conversation between hands well laid out with smooth controlled melody in each register for this slithering reptile title.

Impressive control of opposing articulation between hands with mature tonal control throughout.

Etudes

Etude in C Major, op. 125, no. 3 - Diabelli, Anton

Bright well detached repeated quarter notes with fine sotto voce in LH harmony. Suitably brisk tempo managed most successfully!

Technical Tests

All elements steady, secure and musical at minimum tempo. Tapered endings with longer last notes very much appreciated.

This presentation displayed musical artistry of the highest calibre. Congratulations to you and your teacher on a most successful exam. It was my pleasure hearing you today Ethan!
