EXAMINER REMARKS

- List A**
Entrée in A Minor - Anonymous
Musically performed with great attention to articulation and direction. Your phrases were shaped beautifully with clear intention.
- List B**
Atacama Desert - Rossi, Wynn-Anne
Lovely flow to your eighth notes, and you employed a tasteful use of rubato and ritardandos to engage listeners. Explore refining your touch on some right hand notes to take the percussiveness out of the attack for a more singing-like quality.
- List C**
Invention in A Minor - Silvester, Frederick
You handled the contrapuntal texture effortlessly to the point that it sounded like a duet or two people having an engaging

conversation with one another!

Etudes

Crazy Comics - Donkin, Christine

Played with a convincing rhythmic drive and crescendos that fit the "crazy" or humorous character that this composer wanted to express through this piece.

Technical Tests

Fingerings were well-organized and demonstrated secure knowledge of the varying key signatures which resulted in smooth performances of all elements.

You demonstrated a professional level of preparedness for this examination in addition to performing with an outstanding level of artistry for someone so young! Continue working with your teacher on developing even further, and thank you for sharing your music today!
